Access to medical care, anytime, anywhere

Convenient, quality healthcare at your fingertips

General Medical offers convenient access to low-cost, high-quality virtual care for a broad range of everyday healthcare issues, from cold and flu to a rash or sunburn.

With access to board-certified physicians anytime, anywhere, you can avoid unnecessary trips to the doctor's office and costly visits to the emergency room. With virtual visits available in a number of languages through an interpreter, including American Sign Language (ASL), physicians can provide a diagnosis and treatment, and prescriptions when necessary, via phone or video. And with the Caregiving feature, you can request three-way visits to help manage loved ones' care.

Dermatology

Access licensed dermatologists without leaving the house.

The Teladoc Health Dermatology service gives members convenient and reliable skin care for a wide range of conditions—without the wait.

Dermatology makes skin care easy. Simply log in to your Teladoc account, request a Dermatology consult, complete the intake form and upload digital images of your skin issue. Within two business days, you will receive a response from a board-certified dermatologist through the online message center. You can then ask follow-up questions and, when medically necessary, have prescriptions sent right to their local pharmacy.

2 days to diagnosis versus 32.3 days for major metropolitan areas¹

Approved medications can be prescribed right over the app or web

How Dermatology works

Initiate

The member provides basic information about skin issue through web or mobile app.

Upload images

Upload a minimum of 3 pictures of the skin issue for the dermatologist to review.

View online results

Within 2 business days, the licensed dermatologist will respond through the online message center with a diagnosis, treatment or prescription if necessary.

Follow up

Follow up with the doctor through the message center within 7 days of the initial visit.
