

Open Enrollment 2017

November 1, 2016

Open Enrollment 2017 Begins

You can begin enrolling in Qualified Health Plans on November 1, 2016 for plans that will be effective beginning January 1, 2017.

In order for a health plan to be effective by January 1, 2017 an application must be submitted by December 15, 2016.

Deadline for Jan 1 Effective Date

December 15, 2016

December 31, 2016

Coverage ends for 2016 Marketplace plans

Even if your plan began in the middle of the year, the coverage year ends December 31, 2016. Most plans will renew automatically, but you should check with your carrier.

All health plans purchased between November 1st and December 15th go into effect on January 1, 2017. Plans purchased after 12/15/16 follow standard effective date guidelines.

2017 Health Plan Effective Date

January 1, 2017

January 31, 2017

Open Enrollment Closes for 2017

The last day to enroll in a Qualified Health Plan is January 31, 2017. After that point, you will need a qualifying event to trigger a Special Enrollment Period.
